Criminal Statewide Name Search Procedures

Once you log into a county you can perform a statewide name search by typing a g in the mode field. The g stands for Global. Next, type in the name (last,first,middle) in the name field and press your F2 key. Below is an example.

```

Note the characters at the far right of the case numbers. F = Felony, M = Misdemeanor, T = Traffic, P = Pending & D = Disposed. These indicators can help you determine which types of cases you would like to view.

The 3 digits in front of the case numbers are the county codes.

The characters to the right of the names are Race, Sex & Date of Birth (or age). If information is missing, it was never entered into the case.
